Welcome to the
2017 West Coast Minor Ball Hockey
Provincial Tournament

Greetings players, coaches, parents and volunteers and welcome to the 2017 West Coast Minor Ball Hockey Provincial Championship.

This will again be one of the largest Provincials Tournament ever. The Surrey Minor Ball Hockey Association (“SMBHA”) along with the Delta Minor Ball Hockey Association (“DMBHA”) will be the hosts for this year’s tournament. West Coast Minor Ball Hockey Association (“WCMHBA”) cannot thank enough all of the volunteers who have put in countless hours to ensure that the participants have a great tournament.

We are welcoming 70 teams, 1,260 athletes, 210 coaches and many more parents, siblings and spectators to the 4 arenas in Surrey and Delta. The athletes will compete in 138 games over the course of the tournament.

The objective of youth sport is to set goals, provide challenges and develop young athletes into well rounded members of our communities. Ball hockey is a great way to accomplish all these objectives and, as our teams come together in competition, we would like you all to watch for some important core values, those of STAR, Sportsmanship, Teamwork, Accountability and Respect. When we as coaches and spectators model these they translate into the actions of our players; in the end, we all win.

Enjoy the tournament, cheer on all of our young athletes and have a fantastic time in our communities.

Best of luck to all participants, play hard and have fun; May the best teams win!

Tournament Format and Schedule by Division

General format:

- During round robin games, winning team will earn 2 points, losing team will earn 0 points and games ending in a tie will result in each team receiving 1 point. No overtime during round robin games.
- All games are played under CBHA & WCMBHA of BC rules with two (2) periods stop time. Minor, Major and Junior will play 2 x 20 minute periods; Peanut, Pup, and Peewee will play 2 x 15 minute periods. There will be a five-minute break between periods.
- In the event that two or more teams are tied at the end of the Round Robin play, the following procedure (**tie break rules**) will apply:
 - a) Record between the tied teams, (from games involving only the tied teams);
 - b) Greatest number of wins in the round robin;
 - c) Greatest possible difference of goals for and against;
 - d) Highest total of goals for. (Please note: for the purpose of +/- ratios, a team cannot achieve more than seven (+7) goals in any one (1) game.)
 - e) Least amount of penalty minutes.
- During semi-final and medal games, all games must end with a winner. If overtime is necessary, the overtime periods will be 10 minutes in duration; overtime will be a first goal wins situation. For the 1st overtime (OT) period the teams do not switch ends. If there is a 2nd OT, the teams will switch ends with a 3 minute break. If a game is tied at the end of the 2nd OT, a three-man shootout will be held to determine a winner with the visiting team shooting first. If after the first three shooters, the score is still tied, the shootout (first team to win a round of shootout wins) shall continue until a winner is determined. All players on the bench are required to shoot before a player may shoot for a second time.
NOTE: Any player serving a penalty at the end of regulation play is NOT eligible to participate in the shootout.
- **MERCY RULE:** If there is a seven (7) or more goal differential the clock will go to running time until the goal differential becomes less than seven, at which time the clock returns to stop time.
